## HOME

CLARKE & CLARKE

Tess Daly has continued her partnership with fabric and wallpaper specialist Clarke & Clarke to update her collection of glamorous bedlinen, cushions and throws. Inspired by Tess's flair for luxurious design, this range introduces two new lines to the Tess Daly Home Collection.

Phoebé's iconic art deco look is recoloured in a decadent Midnight colourway, whilst the brand-new design, Zebra, is a sumptuously subtle cotton jacquard. Alongside these newcomers, a range of luxurious velvet and metallic knitted throws have been designed to be layered upon beautiful coordinating bedlinen.

Designing my own range of bedlinen continues to be a fabulous adventure.

I have loved developing this collection with Clarke & Clarke and I am thrilled to see it grow. I have a heartfelt belief that the home should be a beautiful sanctuary for rest, recuperation and that all important me-time! The sense of luxury which runs all the way through this collection was the guiding light behind the updated looks for Spring/Summer 2021. I can't wait to see the range bring a touch of cosy glamour to your home.
