DECORATING WITH...

wild FLORALS

From midnight garden drama to clashing prints and larger-than-life murals, this season's blooms flex more than a little flower power

Beautiful bouquet

While real flowers make this print burst into 3-D life, the iridescent wall tiles are a smart way to offset the dark wallpaper.

WALL Painted in Mercury Lt matt emulsion, £38 for 2.5l, Sanderson; tiled in Shelter Island marble mosaic tiles in Harbour View, £129.87 per sq m, Fired Earth; and papered in Floribunda W0041/03 wallpaper, £48 per 10m roll, Clarke & Clarke. **DETAILS** Bright Floral canvas, £30, Graham & Brown. Floral display, on wall art, £300, Rebel Rebel.

Midnight garden

Florals printed on a dark background look thoroughly modern – add to the drama with a black bath suite.
