

# GEOMETRIC

Geometric patterns and warm colours are a must at this time of year. Our range of Hepburn sofas and chairs are upholstered with Scion's Kateri fabric in gorgeous colourways which complement the curved shape beautifully.

Choose a warm tone for your walls from our library of designer paint brands such as Paint by Conran or Farrow & Ball to add lovely seasonal colour to your home. Finish by accessorising with bold patterned cushions and statement lighting to create a space that is a perfect winter warmer.
